Sub: Successful completion of One day online workshop on Sustainability Courses for Climate Change Careers in collaboration with the Agia College, Agia, Assam.

Dear Dr. Utpal Das Ji,

We are happy to build a successful collaboration with your esteemed institution in organising one day online workshop on **February 22, 2024 "Sustainability Courses for Climate Change Careers"** for the benefit of students in exploring careers in sustainability and climate change related green jobs.

It was heartening to observe enthusiastic participation from you and your students.

LIGHTS shall be looking forward to such collaborations in future.

Thanks and warm regards.

(Dr Sulagna Chattopadhyay),
Secretary General, LIGHTS

To,
Dr. Utpal Das,
Principal, Agia College,
